

TIGRcub[®] Marketing Tools For Financial Advisors

Entrex Offers Financial Advisors Tools to
Qualify, Originate, Place and Manage
TIGRcub[®] Transactions.

Qualify: The *InstaCub Eligibility Calculator* allows you, the Entrex Market Member to quickly identify and qualify TIGRcub[®] eligibility in moments. [Click here](#) for a customized InstaCub Calculator.

Originate: Entrex's Team assembles a customized TIGRcub[®] presentation for your client. We break down the Issuer's economics and offering process. [Click here](#) for a personalized *Illustration* for a client.

Place: Investors use your *Broker Portal* to invest capital into clients. Portals can be individual, regional or nation in scope and provide investors the access and the tools to make efficient investment decisions. [Click here](#) to view portal.

Manage: The *Management Console* allows Market Members to track all sales and marketing activity through this comprehensive solution. [Click here](#) to start marketing today!
